FEATURING TREND BOOK

The Investing in Poland 2017 project culminated with an event held at the Warsaw Stock Exchange. Besides the annual, which has been published for the eight straight year, Warsaw Business Journal Group organized a launch conference with discussion panel and an awards ceremony.

The initiative marks the fifth time Warsaw Business Journal Group handed out the Investment of the Year award. Based on various factors, ranging from the amount invested, innovativeness, local impact, number of new jobs created and long-term effects on the Polish economy, the Warsaw Business Journal Group editorial team picked Samsung Electronics Poland and its plant in Wronki, Pilkington Automotive Poland for its car windshield factory in Chmielów and in the Big investment category the statue went to Ghelamco for the Warsaw Spire office complex.
