WELKO's trading profile is dedicated for a small, medium and huge factories where main activities are focused on production or wholesale roof elements.

Roofing accessories

WELKO's trading profile is dedicated for a small, medium and huge factories where main activities are focused **on production or wholesale roof elements**. In our offer **metal elements polish manufacturers for rainwater systems like gutter hooks, fascia hangers and Rise & Fall brackets**.

In our offer also elements for solar and photovoltaic panels, snow protection sets, walking systems and many others on your inquiry.

Production from following materials: galvanized steel, coated steel, copper and aluminum.

In our offer you can find also roof ridge vent tapes and chimney flashings (attached more information).

We manufacture tapes on special inquiry and with your logo too.
