Comprehensive handling of entrepreneurs

At the moment we are providing the permanent legal service for entrepreneurs acting in different organisational-legal forms. Our business partners receive from us the legal service in the full range, in all areas of law and all aspects necessary in the business activity.

Service of the foreign capital

The law office, during the years of practice, has gained wide experience in handling the foreign capital. We are reliable partners for foreign investors. Among our regular clients you can find such Polish subjects, which are the part of bigger international capital groups and those, which business activity is based on export or import of services and products. We are trying to provide our international clients or their contractors with the best conditions of cooperation. That is why the law office provides a comprehensive legal service in Polish and English.
