CUSTOMS AGENCY

The company has an AEO certificate no. PL AEOC 440000100060

We provide services connected with the following customs procedures:

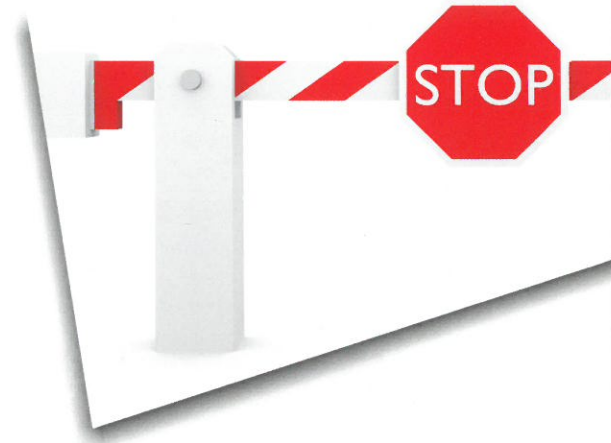

- marketing authorisation
- export
- temporary clearance
- returned goods
- transit
- Intrastat
- fiscal clearance – article 33a of the Act on VAT

The company's strength is the use of simplified procedures and guaranteed reaction time of the Customs Office: 30 minutes in Warsaw and in Wrocław.

We provide our customers with:

- a quick access to the imported goods
- rational delivery planning
- lowering the costs of warehousing
- releasing the goods before payment of customs duties
- minimizing participation of the Customs Service in the clearance process
- clearance after the working hours of Customs Offices
- deferral of VAT payment on the border

*** We offer an option to defer the obligation to pay the VAT tax during clearance and postpone it until a monthly settlement. This legal solution is used not only with respect to shipments cleared in European, but also cleared in Polish seaports.**
